## HAVING THE TIME OF THEIR LIVES

Luxury watch brand Vertex relaunched its brand with a celebration at London's Apsley House last week. Hosted by the Marquess of Douro and Don Cochrane, the great-grandson of the founder of Vertex, guests included Peter Phillips, *Made in Chelsea* star Francis Boule and Nick Knowles. Attendees drank Barons de Rothschild Blanc de Blancs champagne while listening to jazz by Pocket Full of Swing and admiring the new M100 watch, Vertex's first launch since 1972.
