BARONS DE ROTHSCHILD RARE COLLECTION ROSÉ 2012

Subtle redcurrant and raspberry notes have a saline edge on the nose. The palate comes alive with a sense of tart berry and gentle white pepper spice while lemon freshness tingles with brightness. There is something playful about this: it is a wine with a knowing smile. It gives you berry notions but at its core it is brisk, saline, taut, fresh, citric. This is all sleekness and poise - precision is its middle name. Lovely.
