BARONS DE ROTHSCHILD CHAMPAGNE

Founded in 2005, Champagne Barons de Rothschild was born from a unique and unprecedented alliance between the three branches of the Rothschild Family.

Since its creation, the House has never stopped evolving. Symbol of excellence, the House has taken the time to rework its global identity to assert its singularities and our high-end positioning, with modernity and elegance, in the image of our Grands Vins de Champagne.

The Blanc de Blancs, the House's signature cuvée is now presented in a new transparent bottle, reflecting the brilliance of the Chardonnay and the prestige of this 100% Grands and Premiers crus champagne. This cuvée also features a label with a chalky texture appearance reminiscent of the Grands Terroirs of the Côte des Blancs from which they originate.

Made of 100% Chardonnay, the most famous grape variety in the world and yet the rarest, the Blanc de Blancs cuvée is the expression of the absolute elegance of the House's style.

The very low dosage and long ageing of this wine enhance its innate quality and make the Chardonnay develop its inherent authenticity and purity.

The Rothschild Family's commitment to perfection, to constancy and the spirit of purity and excellence stands behind their Champagne Blanc de Blancs.
